

MANITOBA WOMEN IN TRADES WORKSHOP

“BREAKING THE BARRIERS,
BUILDING THE BRIDGES”

PROGRAM DESCRIPTION

This one-day workshop focuses on women entering or currently working in the construction trades, their real-life challenges, and successes in the industry. It has been developed in response to the feedback received at the Manitoba Construction Sector Council's Women in Trades Conference, February 2020. Local construction company owners and managers have contributed their knowledge and expertise to assist women in breaking down the barriers and building bridges that will promote the advancement of their careers.

PARTNERS

3 SESSION (HOURS)

TOPICS INCLUDE

- Challenges and Solutions of working in construction
- Communication
- How to find and keep a job in construction
- Advancing in the Construction Industry
- Benefits

TEACHING STRATEGIES CAN INCLUDE

- Videos/Testimonials from women working in construction
- Individual or group assignments
- Case studies - discussions and review
- Interactive scenarios
- Application of new learning to practice-evaluation to include how the learning has applied, or will apply, to practice in the workplace
- Online option will be a few short sessions with individual and small group assignments
